OWN THE AIR

GAMO made its first air rifle in our Barcelona, Spain, facility back in 1961, and has grown to be a global leader in the industry. Our mission has always been to create and manufacture the best air guns in the world. Since that first air gun hit the market back in the early 1960s, we've become an industry leader through innovative product design and world-class performance.

As we embark on a new decade, we are still striving to create performance-changing technology. I am very proud of our team and can honestly say that the best is yet to come. I've never been more excited about what we have in development than I am now. The next few years are going to be exciting!

Whether you are a hunter, target shooter, plinker or beginner, we have air guns, ammo and accessories to make your outing a success. Our Swarm multi-shot technology continues to expand with more rifles featuring our revolutionary 10-round magazine—if you have not tried one yet hopefully you will in 2020!

On behalf of everyone here at GAMO, we say thank you for allowing us the opportunity to earn your business.

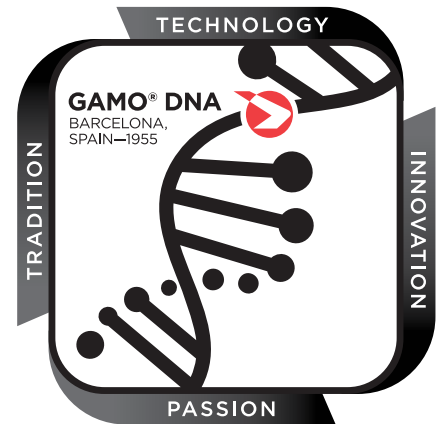

KEITH HIGGINBOTHAM

President & CEO

A LEGACY OF INNOVATION.

For more than 60 years, Gamo has been designing and manufacturing world-class air rifles, air pistols and air gun ammunition for small game hunting, competition, recreation and pest control.

Today, Gamo rifles are sold in more than 90 countries with offices in the USA, UK, Spain and Mexico.

A truly iconic brand, Gamo delivers the finest products and the latest technology supported by unparalleled customer support and interaction.

THE DIFFERENCE IS IN OUR DNA.

- Fully integrated manufacturing
- Repeated test firing
- Exhaustive quality control procedures
- Automotive-grade robotic technology
- Patented polymer-jacketed barrel
- Patented Whisper® sound-dampening technology
- Green manufacturing facility

Own the air with Gamo today.
The most progressive and innovative air rifle manufacturer in the world.

GAMO PROSHOT ID SYSTEM

THE RIGHT AIR GUN > THE RIGHT AMMO > THE PERFECT COMBINATION

At Gamo, we manufacture many different air guns to fit the needs of versatile shooters everywhere. With such a variety of choices, we've created the GAMO PROSHOT ID SYSTEM to help you better align your shooting needs with the performance attributes of each model. From Hunting to Pest Control & Recreation to Target & Competition, all Gamo air gun and ammunition packages are clearly labeled and color coordinated to designate their recommended primary usage—so you can easily pair the right ammo with the right air gun. Every time.

GAMO PRODUCT RECOMMENDED USAGE

➤ PEST CONTROL & RECREATION

Provides accuracy and high velocity—ideal for nuisance animals such as mice, rats, birds and snakes. Also perfect for recreational shooting and other everyday uses.

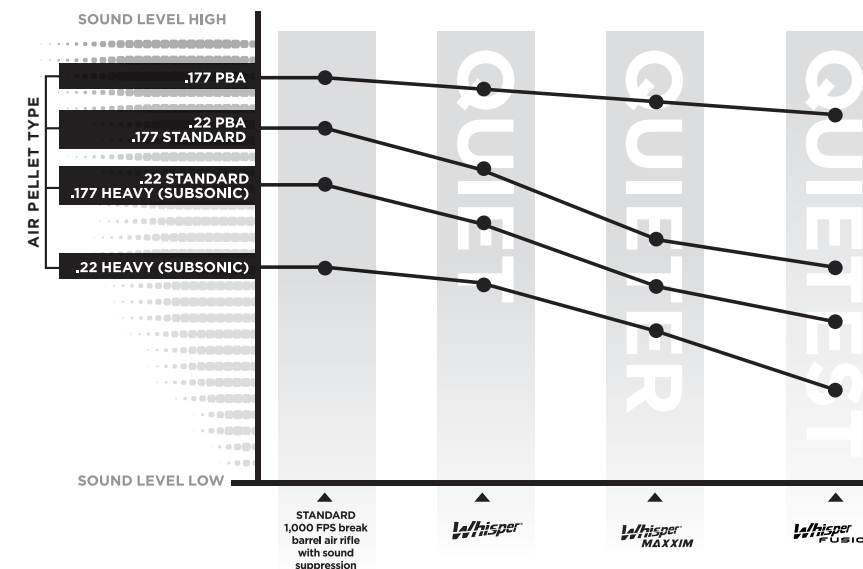

➤ HUNTING

Delivers accuracy with higher energy downrange for ultimate impact and penetration—ideal for small game such as rabbits, squirrels, raccoons, and crows.

➤ TARGET & COMPETITION

Offers the ultimate in accuracy and consistent performance—ideal for both training and competitive shooting.

GAMO SOUND SUPPRESSION TECHNOLOGY AND SOUND LEVELS

Gamo's patented Whisper® technology leads the air rifle industry in sound suppression. This technology is categorized into three tiers—Whisper, Whisper Maxxim and Whisper Fusion—for quiet, quieter, and quietest performance. However, “noise reduction” does not mean “silence,” as sound levels will vary depending upon pellet choice. A lighter, faster and smaller caliber pellet, for instance, will produce a louder sound than a heavier, slower and higher caliber pellet. To further assist with your purchasing decision, please refer to the chart above.

Whisper®

The Whisper is the noise-suppressing technology already known and trusted by thousands of shooters around the world. It is one of the first noise-dampening technologies created in the air gun industry. The Whisper is an integrated noise and muzzle blast reducer molded onto the barrel, forming a single part.

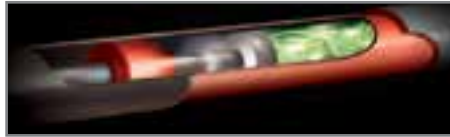

Whisper® MAXXIM

The Whisper Maxxim features two noise dampening chambers, offering a quieter performance as well as an improved muzzle break design. The new muzzle break helps reduce the recoil and is also integrated with the bull barrel. This new technology results in a lightweight, fluted, polymer/steel rifled barrel, integrating one of the latest sound-suppression technologies from Gamo. The Whisper Maxxim takes less space than the Whisper, keeping a better weight balance while making the air rifle quieter.

Whisper® FUSION

The Whisper® Fusion® technology incorporates a double integrated sound moderator making it the quietest Gamo air rifle. The pellet travels through two different chambers, compressing and preventing the noise expansion.

Whisper® is a trademark of and is used under license by J. D. Jones. Fusion® is a Registered Trademark of Federal Cartridge Company. Used under license.

Based off the groundbreaking IGT platform, the **IGT MACH 1™** replaces the standard spring powerplant with an Inert Gas Cylinder, but the IGT MACH 1's monster 33 millimeter cylinder delivers more velocity and terminal penetration. The pneumatic cylinder rockets pellets up to 1650 Feet Per Second (fps) in .177 caliber (with PBA Platinum Ammo), and promotes smooth and consistent cocking efforts with constant power delivered to any pellet you shoot.

If you want: **More Precision, Less Vibration and True Knock Down Power.**
Make sure your next Gamo has the IGT MACH 1 inside.

Improve your knockdown power and accuracy! Enhance your hunting experience! The **IGT™ (Inert Gas Technology™)** from Gamo enhances your hunting or target shooting experience. This technology consists of a pneumatic cylinder that replaces the spring, enabling the shooter to get more terminal velocity (up to 1,300 fps with PBA® Platinum .177 Cal. and up to 975 fps with PBA® Platinum .22 Cal.), less vibration, more consistent power, and a constant and smooth cocking effort.

Gamo, pioneering the latest air gun technology, delivers the groundbreaking **Triple R (Recoil Reducing Rail)**. The RRR was developed to subdue the taxing stresses placed on your scope from the intense recoil of air guns and high-powered rifles. The Recoil Reducing Rail uses patent pending two-piece aluminum construction separated by dual polymer struts to absorb the shockwaves generated by the recoil. Once the scope is mounted to the Recoil Reducing Rail, the recoil stresses to its internal components are reduced by almost 100%.

Hunters demand: **Scope Reliability, Reduced Vibration and Dead On Accuracy.**
The Triple R (Recoil Reducing Rail)—Preserve Your Scope's Lifetime for the Next Time.
Only from Gamo.

The revolutionary **C.A.T. (Custom Action Trigger)** enables Gamo air rifle owners to independently adjust the 1st and 2nd stages of their trigger to tailor the trigger pull and crispness to their personal preference. Simply loosen the 1st stage adjustment screw and the trigger travel increases. If a shorter travel length is desired just tighten the same screw to decrease the 1st Stage travel length. The 2nd Stage Adjustment is made just as easily—unscrew the adjustment setting to increase the 2nd Stage travel length or decrease it by screwing in the same adjustment point.

The **SAT** is a patent-pending trigger developed by Gamo and incorporated into several Gamo air guns. This trigger helps the shooter acquire a more precise shot. It is a custom trigger designed for hunting and target shooting that will make you shoot like a pro! It features a smooth action pull, maximizes pinpoint accuracy and feels crisp and clean.

⚠ WARNING
Do not brandish or display this airgun in public. It may confuse people and may be a crime. Police and others may think this airgun is a firearm. Do not change the coloration and markings to make it look more like a firearm. That is dangerous and may be a crime.

⚠ WARNING
This is not a toy. Adult supervision required. Misuse or careless use may cause serious injury or death. May be dangerous up to 250 yards or 229 meters. This airgun is recommended for use by those 16 years of age or older. Read all instructions before using. The purchaser and user should conform to all laws governing the use and ownership of this airgun.

10X QUICK-SHOT RAPID RELOAD TECHNOLOGY

Our patent-pending technology enables you to shoot up to 10 pellets without reloading. Simply break the barrel and fire for lightning-quick follow-up shots. This technology is available only in select Gamo air rifles.

Available on
SWARM BONE COLLECTOR
SWARM WHISPER

UPGRADED

INERTIA FED MAGAZINE

This patent-pending 10X GEN 2 technology includes our revolutionary horizontal inertia fed magazine integration, making it lighter, more compact and low profile. This upgraded rapid-reload technology avoids double loading a pellet—the magazine rotates and inserts a pellet into the breach using the inertia of the recoil when shooting the air rifle. The second generation 10X offers smoother operation and improved accuracy.

HUNTING

TARGET & COMPETITION

The **Gamo P-25** is a CO2 pistol that shoots up to 450 fps using PBA Platinum ammo. It features blowback action and the 8x2 pellet magazine.

WEIGHT	MAGAZINE	AMMUNITION	ACTION	POWER	BARREL	SAFETY
1.5 LBS.	8X2	PELLETS	SEMI-AUTO	12 GR CO2	RIFLED STEEL	MANUAL

CAUTION: Use only standard skirt pellets to avoid damaging your magazine. Do NOT use pellets like the Red Fire, PBA Bullet, Magnum, Lethal or TS-10.

SCOPES

ADVANCED ACCURACY. RUGGED PERFORMANCE.

Exceptionally durable and ready for the hunt, Gamo air rifle scopes deliver precision shot placement in any lighting condition.

PELLETS

As the world's largest manufacturer of air gun pellets, we demand consistency. And so should you. That's why we strive to produce only the most accurate, highest quality air gun ammunition possible.

RED FIRE™

The **Red Fire®** pellet is Gamo's latest state-of-the-art hunting pellet. This advanced pellet is designed with a diamond-shaped polymer tip that provides a true ballistic trajectory.

The Red Fire® pellet is engineered for balanced expansion ensuring intense penetration. The force of impact drives the red polymer tip back into the cylindrical jacket material, forcing it to expand outward increasing the diameter of the projectile as it passes through the intended target (mushrooming effect on impact).

BULLET PBA®

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Bullet PBA®	632272054	7.1	.177	150	The Ultimate Varmint Hunting pellet. Copper retains 100% of its weight after expansion retaining velocity/energy-creating less ballistic drag. The shape and long skirt create a flatter trajectory and tighter group patterns. Terminal impact for a clean, vital shot kill. 30% more terminal impact.
Bullet PBA®	632272154	14.4	.22	100	

PLATINUM PBA®

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Platinum PBA®	632265454	5.1	.177	100	The Platinum PBA uses enhanced non-lead alloy to generate velocities up to 30% faster than most lead pellets. Platinum PBA offers enhanced accuracy and maximum penetration for hunting use.
Platinum PBA®	632265554	9.7	.22	50	

RAPTOR PBA®

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Raptor PBA®	632264454	5.1	.177	100	Increases velocity up to 25% over lead, while maintaining “match grade” accuracy. Specifically designed as a hunting load, the new RAPTOR PBA® ammunition is 50% harder than lead causing penetration to be enhanced by up to 100%.
Raptor PBA®	632264554	9.8	.22	50	

BLUE FLAME

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Blue Flame	632270254	5.1	.177	100	Specially formulated blue polymer tip causes rapid expansion in the ultra light, 5.4 grain PBA pellet. Velocity is enhanced an additional 5% over standard lead ammo.

SHOT SHELLS

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Shot Shell	632300054	N/A	.22	25	Precision pellets/shells for Gamo Express Series Airguns. Holds up to 14 No. 9 birdshot for devastating power at close range (up to 10 yards).

HUNTER

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Hunter	6320824BL54	7.6	.177	250	Due to the heavier weight and dome configuration, this pellet performs with terrific impact, even with long distance shots.
Hunter	632052554	15.43	.22	250	

RED FIRE

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Red Fire	632270154	7.8	.177	150	The Red Fire® pellet is engineered for balance expansion ensuring intense shock effect. The force of impact drives the polymer tip into the cylindrical jacket forcing it to expand outward, increasing the diameter of the projectile as it passes through the intended target (mushrooming effect on impact).
Red Fire	632270454	15.43	.22	125	

ROCKET

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Rocket	632127454	9.6	.177	150	Superior accuracy and penetration. This air gun ammunition combines our performance lead with a hardened steel tip to yield enhanced penetration and shock with precision accuracy. The Rocket enhances down-range performance without any sacrifice of accuracy and consistency.
Rocket	632127554	14.5	.22	100	

TOMAHAWK

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Tomahawk	6322544CP54	7.8	.177	750	This Pointed Hollow Point Pellet has been specifically designed to give maximum shock and expansion while having the accuracy of a Match pellet. The PHP forms a perfect “mushroom” shape that will flatten out on impact, distributing all of its energy into the target at short range.

TS-10

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
TS-10	632174854	10.49	.177	200	Due to the weight and dome configuration, this pellet performs with great impact at long distances.

TS-22

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
TS-22	632176854	21.7	.22	200	Due to the weight and dome configuration, this pellet performs with great impact at long distances.

MAGNUM

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Magnum	6320224BL54	7.6	.177	250	The pointed tip increases the penetration and the double ring design aids in the mushroom effect on impact. Not recommended for use in repeating rifles or pistols.
Magnum	632022554	15.43	.22	100	

MATCH

PRO MAGNUM

**ROUND LEAD
BBS**

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Match	6320024BL54	7.6	.177	250	This is a precision pellet. A relatively light weight and flat head that cuts targets cleanly makes this pellet tops for shooters wanting tight groups.
Match	6320025B54	15.43	.22	250	
Match	632003454	7.6	.177	500	

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Pro Magnum	6321744CP54	7.80	.177	750	The distribution of weight makes this pellet extremely accurate at any distance.

NAME	ITEM #	GRAIN	CALIBER	QUANTITY	DESCRIPTION
Roundball BBs	632032454	10	.177	250	Perfectly formed round balls of pure lead are heavier than pellets and ideal for situations requiring lower velocity but high terminal energy. Perfect for metallic targets.
Roundball BBs	632032554	22	.22	250	

TARGETS, ACCESSORIES, CARE & MAINTENANCE

With a focus on everyday performance, we have the quality products you need to keep your Gamo clean and your shooting skills sharp.

PCP HAND PUMP

ITEM #621213554

The Gamo PCP Hand Pump is a versatile hand pump designed to fit GAMO PCP models. It also works with other models of PCP rifles with a male Foster quick-disconnect on its reservoir.

- Length: 24.8IN / 630 MM CLOSED; 43.3IN / 1100 MM OPEN
- Weight: 5.3LBS / 2,4KGS
- Max. Pressure: 310 BAR or 4500 psi.
- Folding Base Plate
- Output nut: 1/8 BSP

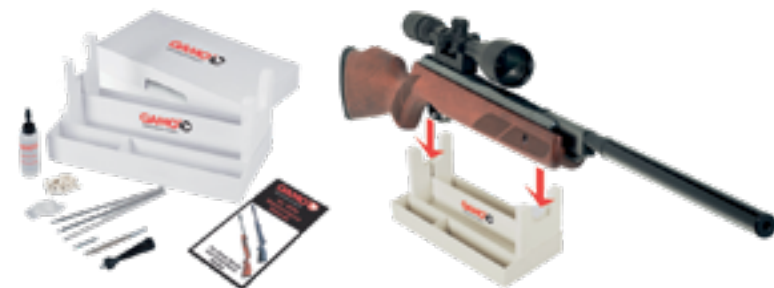

AIR RIFLE MAINTENANCE CENTER

ITEM #621245854

Easy fold out rifle stand is ideal for:

- Mounting or adjusting your rifle scope.
- Cleaning, repairing or maintaining your air rifle while in the field, at the range, or on hunting trips.
- Protecting your table or other surfaces from scratches or fluid spills while performing maintenance on your air rifle.
- Keeping track of rifle parts in the storage compartments while performing maintenance.
- Helps you store your tools and cleaning supplies.

CLEANING ROD KIT

ITEM #621240954CP

This kit is intended for air rifles and air pistols. Includes 3-pc rod, jag, brush and handle. Compatible with Calibers .177 and .22.

CLEANING ROD KIT

ITEM #621246054CP

The solution to keeping the external and internal parts of your air gun in good condition.

Kit includes: Cleaning rod and barrel brush for .177, .22, .25 calibers. Cotton pellets, cotton patches, cleaning oil and cleaning brush.

CLEANING PATCHES/PELLETS

ITEM #621241254CP CLEANING COTTON PELLETS .177 (100)

ITEM #621241654CP CLEANING COTTON PELLETS .22 (100)

Cleaning Pellets

Shooting these pellets is the easiest and fastest way to remove dirt and lead residue from your air gun barrel. Can be used in the field or in regular full cleaning.

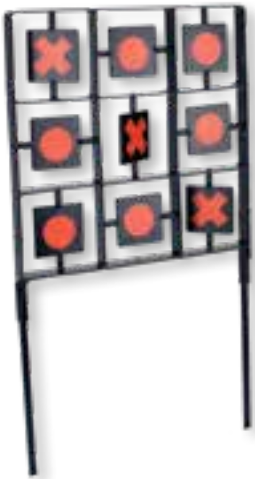

TIC-TAC-TOE

ITEM #62112211554

The player who succeeds in placing three respective marks in a horizontal, vertical, or diagonal row wins the game!

- Corrosion-resistant powder-coated finish
- Durable construction

** Targets are intended for use with .177 and .22 Caliber air rifles*

PAPER TARGETS

ITEM #621210654

Bullseye targets made to fit the Backyard Trap, as well as range use. The target is on cardboard for easier sighting and better stability.

Size: 5.5" x 5.5"
Weight: 2 Lbs.
Units/Box: 100

** Targets are intended for use with .177 and .22 Caliber air rifles*

BONE COLLECTOR BACKYARD TRAP

ITEM #6212204554

Collapsible metal pellet trap.
Includes 100 GAMO paper targets.

Size: 5.5" x 5.75" x 7.5"
Weight: 1.9 lbs.
Units/Box: 1

** Targets are intended for use with .177 and .22 Caliber air rifles*

CONE BACKYARD TRAP WITH PAPER TARGETS

ITEM #6212204354

Collapsible metal pellet trap.
Includes 100 GAMO paper targets.

Size: 5.5" x 5.75" x 7.5"
Weight: 1.9 lbs.
Units/Box: 1

** Targets are intended for use with .177 and .22 Caliber air rifles*

ROCKET PELLET TRAP

ITEM #621220354

The GAMO Rocket Pellet Trap can be reset without getting up from your firing position. When a round target is hit, it locks in the up position. The target can be reset by simply hitting the large square center target. This causes all of the round targets to drop and reset for more shooting.

Size: 6.5" x 6.5" x 8"
Weight: 5 Lbs.
Units/Box: 1

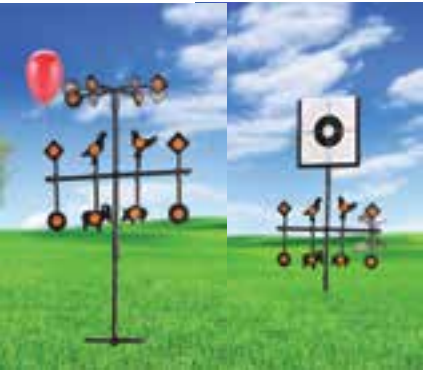

** Targets are intended for use with .177 and .22 Caliber air rifles*

SPINNER DELUXE

ITEM #62112210854

- Corrosion-resistant powder coating
- 1 year warranty
- 24 orange bullseye stickers
- 6 shooting balloons
- 100 paper targets
- Re-settable spinning target
- Sturdy construction

** Targets are intended for use with .177 and .22 Caliber air rifles*

SQUIRREL FIELD TARGET

ITEM #621220854

Interchangeable Field Target System. Four metal stakes are included to anchor the target in the ground. When you hit the yellow bullseye, the target falls down. Then, simply pull the string to reset it (150-foot string included). Portable and durable, made of heavy steel. Includes 4 bullseye rings to increase the level of difficulty as your skills improve.

Size: 6.5" x 6.5" x 8"
Weight: 4.0 Lbs.
1 Unit/Box

** Targets are intended for use with .177 and .22 Caliber air rifles*

PLINKING TARGET

ITEM #62112210954

- Corrosion-resistant powder coating
- 1 year limited warranty
- 12 orange bullseye stickers
- Re-settable targets
- Sturdy construction

** Targets are intended for use with .177 and .22 Caliber air rifles*

BI-POD FOR AIR RIFLES

ITEM #621319054

- Compatible with air rifles with a 11-31 mm diameter barrel
- Foldable legs
- Easy mounting system

DELUXE RINGS

ITEM #621316954

- Designed for scopes with objective diameter up to 57 mm
- 1" fits std. dove tail (903a)

GUN BUDDY—AIR RIFLE SLING

ITEM #621240854

- Air rifle sling compatible with any air rifle
- Quick adjustment
- Lightweight and durable, made of woven nylon
- Non-slip
- No sling swivels required. The front slips over barrel, back slips over the recoil pad.

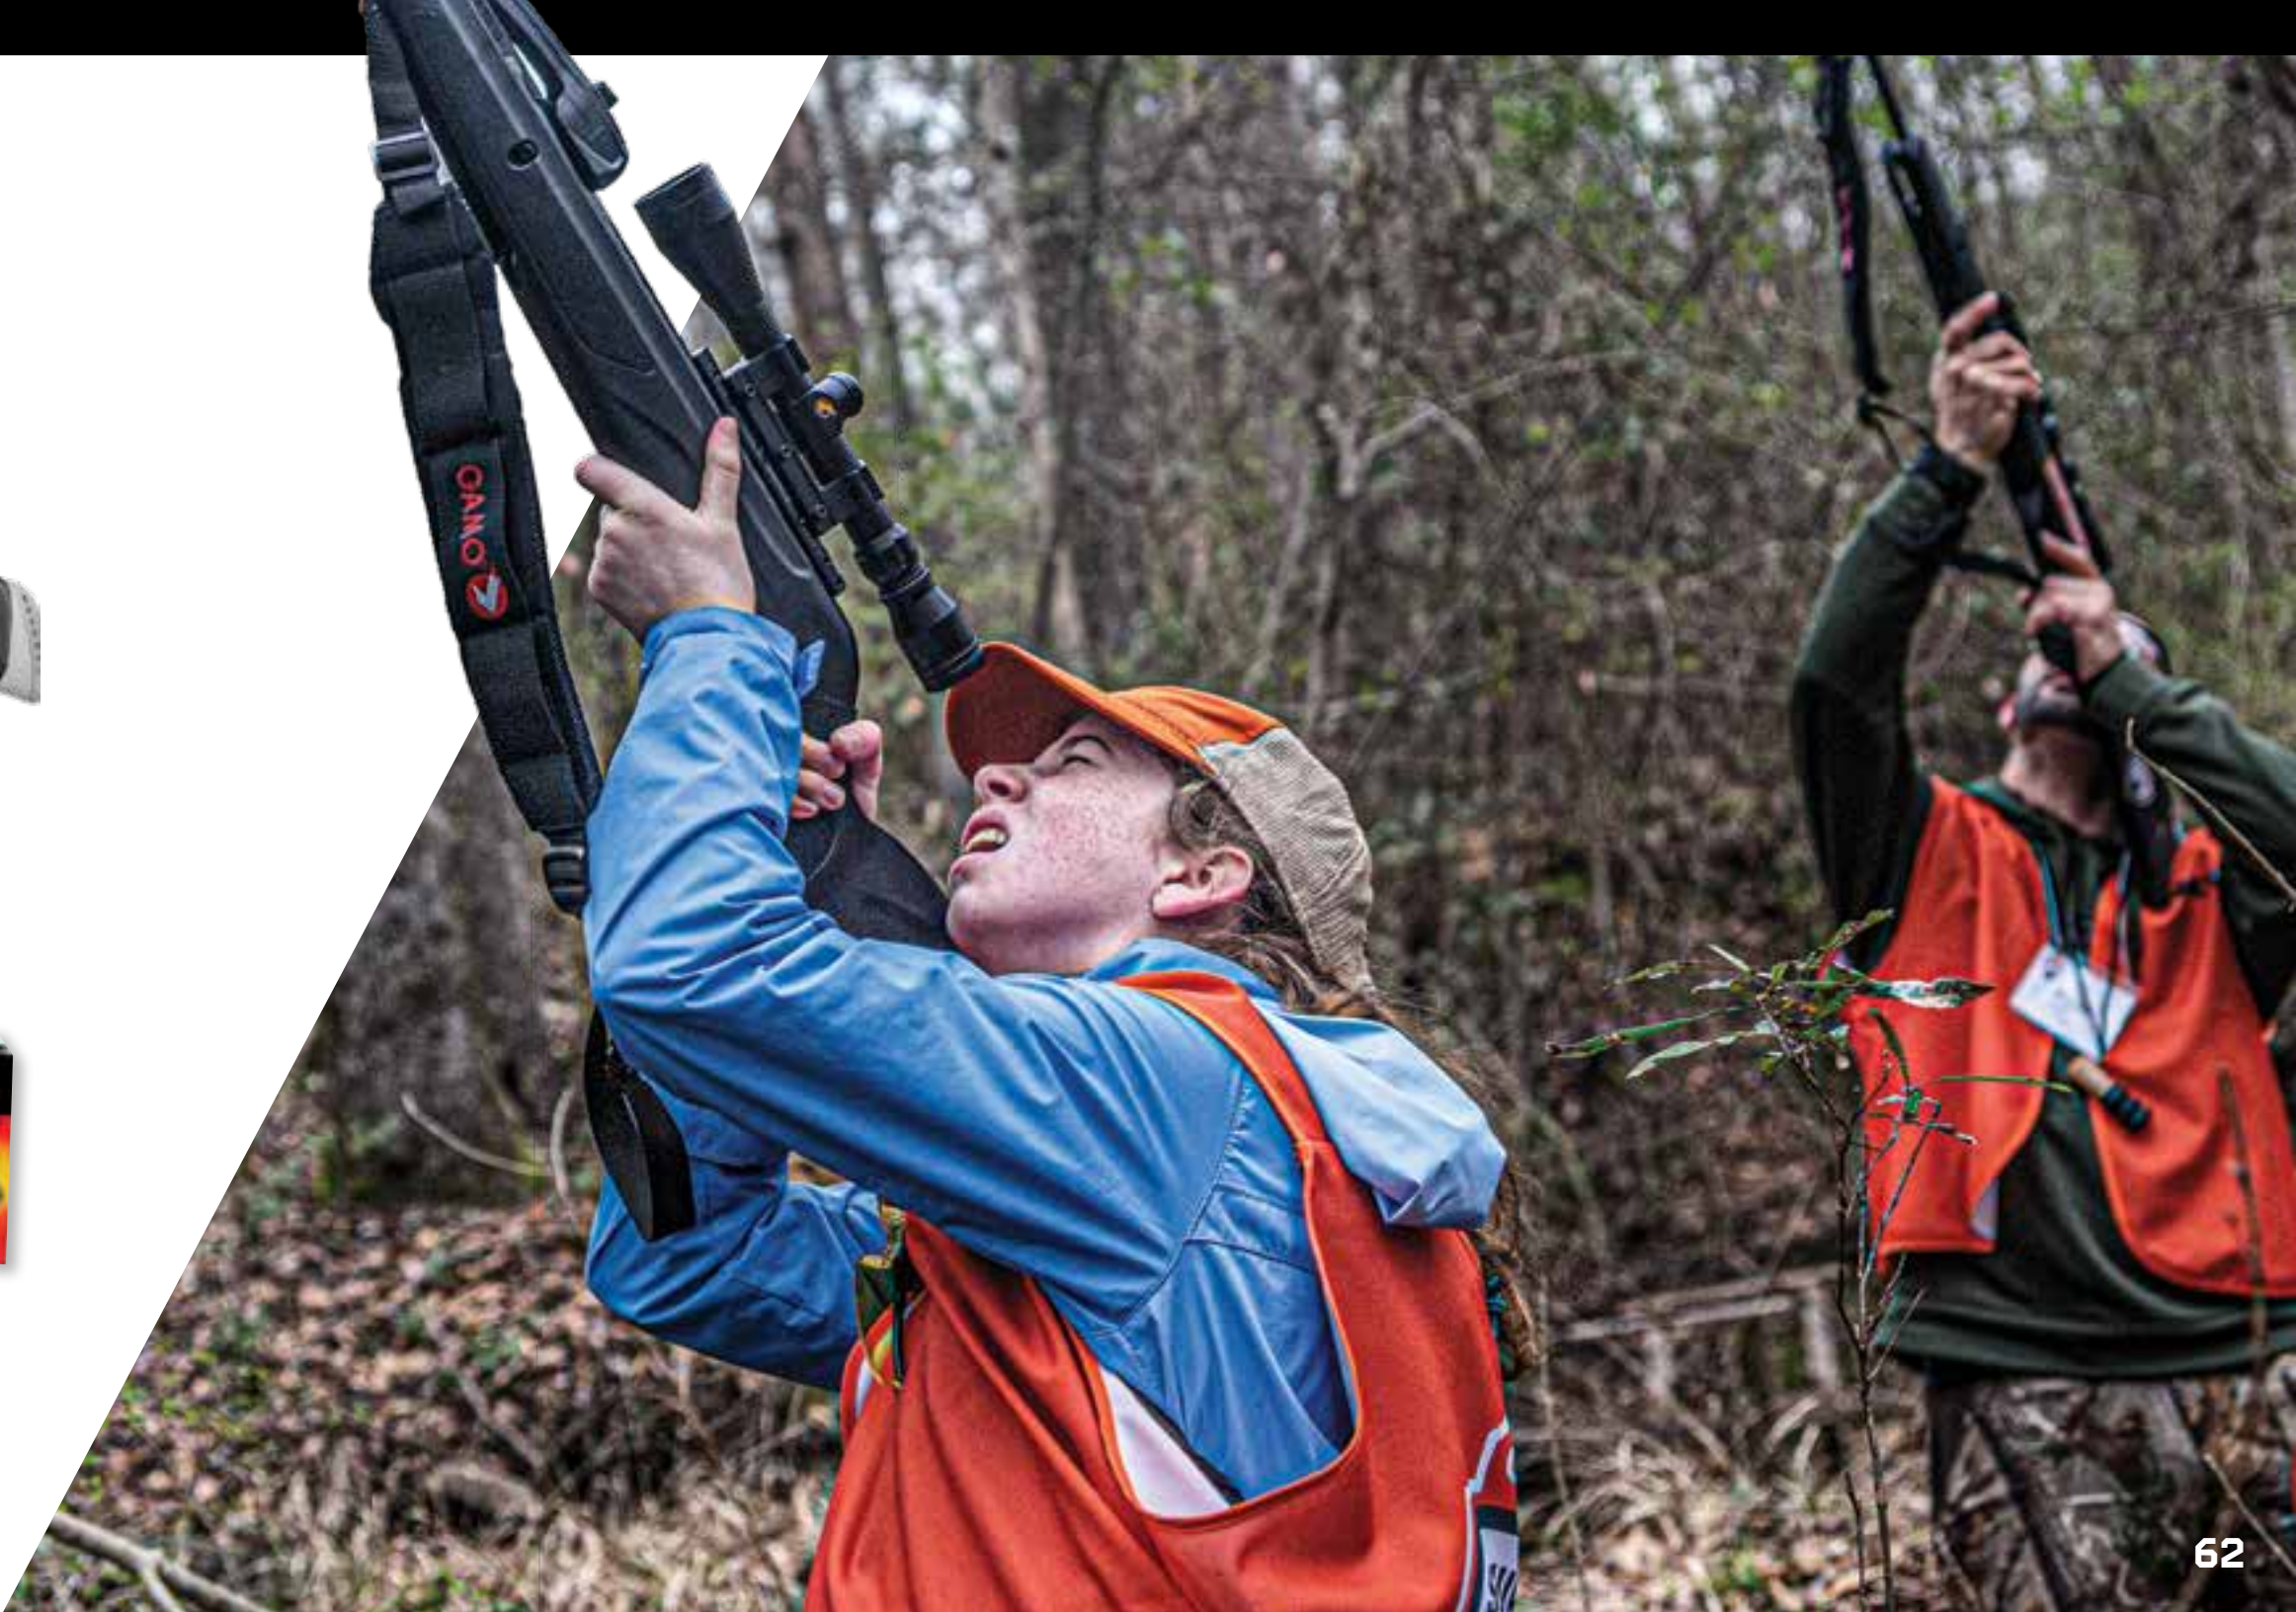

CO2 CYLINDERS

ITEM #621247054 5 PACK
ITEM #62124701554 15 PACK
ITEM #62124702554 25 PACK

Gamo CO2 12 gram (5, 15, or 25 cartridges per box). Fits all standard 12 gram CO2 air pistols and air rifles.
